

KASIA MATYLDA KR?CICKA - biography.

Born in 1986.

Lives and works in Warsaw.

Graduated from the University of Fine Arts in Poznan.

In her art Kr?cicka combines acrylic paint on canvas with digital collages printed on paper. She takes inspirations from her own experience, travelling, music, stories she's been told and non-existing worlds she likes to create in her mind.

Her works can be found in several private collections (Kevin Spacey included). She had her first individual exhibition in Poznan (2014), and collective exhibition in Brick Lane Gallery in 2015 (London).

Statement:

"People call me artist/collage-maker/painter. I rather think that I create something some people call art".
